

Bar Services

Draper's has experienced, ABC certified bartenders available to serve any alcoholic beverages that you provide. Our bartenders will have all the necessary bar tools and will set up the bar, ensure that all alcohol is served responsibly, and pack up extra beverages at the conclusion of the event. We will not serve anyone under the age of 21 and will request ID at our discretion. We will not serve anyone to the point of intoxication and reserve the right to refuse service to any guests who become intoxicated.

Customers are responsible for making prior arrangements for transportation home for guests that are unable to drive due to intoxication. Our bartenders will work with you to identify these guests. If it is necessary, Draper's will call a taxi and bill customer for the charges.
